Hey, It's You!
(again)

Get out. Say hi.
We'll take it from there.

1 Show your code
Pull up your code and let them scan it.
Tap Accept and you're connected.

2 Keep the spark
Chat, plan a second hangout, and find out
if the vibe is real.

3 Share when it clicks
Ready? Share your verified name and number in one tap.
When they share theirs, it's verified too.

✓ No number swap ✓ No socials to stalk ✓ Nothing to search

Create your account,
then put your phone away
and go meet someone.
